Note

Radio CFIN-FM 104.5 began broadcasting on 1 November 1983. The launch of CFIN-FM, Quebec's first FM country radio station in Quebec, was made possible through the efforts of Clément de Laat and Michael Dougherty. Despite a broad listener base which spanned much of the Estrie and into the United States, the CRTC maintained that CFIN-FM's audience did not conform to the CRTC regulations and the radio station was closed at the summer 1987.

Scope and content

Fonds presents programming information for the the CFIN-FM radio station in Coaticook in April 1984.
