Administrative history / Biographical sketch

Note

George Allan Matheson was born in Sherbrooke on 3 January 1941, son of Allan Matheson (1909-1979) and Bertha Ham (1912-1975). Shortly after graduating from Lennoxville High School, he went to work for the Canadian Pacific Railway (CPR) in 1959. He spent his career as a CPR employee, primarily working in Megantic and Sherbrooke, and retired from his position as assistant terminal supervisor in 1996. An avid railroad buff, Matheson continued to pursue his love of trains following his retirement as he diligently photographed and identified trains travelling through the Eastern Townships, as well in other areas of Quebec, Ontario, Vermont, and New Hampshire.

Scope and content

The fonds contains information on trains and railways primarily in the Eastern Townships from around 1945 to 2018. It consists of photographs and a scrapbook, and in addition to the Townships, includes photographs of trains in other areas of Quebec, Ontario, Vermont, and New Hampshire. The fonds is comprised of the following series: Quebec Central Railway line (1998-2006), Canadian Pacific Railway line (1957-2017), Canadian National Railway line (1987-2018), Via Rail (1987-1992), Scrapbook ([1945?]-1959, Vermont and New Hampshire (1967, 1993-1998), and Personal life (1997-2003).
